Certification No. 99-084

Dear WAYNE M. GATEWOOD, JR.:

Your business continues to be certified effective May 30, 2007.

Your certification does not automatically expire, however, your business and every certified Minority Business Enterprise and/or Disadvantaged Business Enterprise (MBE/DBE) must be reviewed annually. You will be notified when the next review is due.

Your business continues to be certified for those areas of work already approved, as well as any expanded services. If you wish to change the area of work, a written request must be sent to the Maryland Department of Transportation, Office of Minority Business Enterprise.

A firm is considered graduated in all or some of the areas of work grouped under the Standard Industrial Classification (SIC) and/or the North American Industry Classification System (NAICS) Codes if it exceeds the size standards in all or some of the SIC/NAICS Codes. If your firm is presently in a graduated status, it is no longer eligible to participate as a Disadvantaged Business Enterprise under the Federal U.S. DOT Program or as a Minority Business Enterprise under the State of Maryland Program for the noted SIC Codes.

If you should have any questions, please contact the Office of Minority Business Enterprise, Recertification Unit at 410-865-1269 or 1-800-544-6056.

Sincerely,

Terry L. Bright  
Acting Director  
Office of Minority Enterprises
